

SAFETY MANUAL

Company Name: **Bharath Modern Insulation Company**

Business Type: **Thermal, Ducting and Acoustic Insulation Solutions**

Address: No 165, 8th Street, Sri Valli Nagar, Nandivaram,
Guduvancheri, Chennai-603202

Date of Issue: 19/02/2024

1. Introduction

This Safety Manual outlines the basic safety policies and procedures followed by Bharath Modern Insulation Company. As a contractor providing thermal and acoustic insulation services including hot and cold insulation, ducting, soundproofing, and cold storage solutions, we are committed to maintaining a safe and compliant work environment at all project sites.

2. General Safety Guidelines

- All employees must wear appropriate PPE (helmets, gloves, safety shoes, masks) at all times on the work site.
- Smoking, alcohol, or drug use is strictly prohibited at worksites.
- Safety signs and barriers must be respected and maintained.
- Unsafe work conditions or hazards must be reported immediately to the supervisor.

3. Personal Protective Equipment (PPE)

Bharath Modern Insulation Company provides the following PPE for all employees as required for the nature of work:

- Safety helmets
- Work gloves
- Reflective vests
- Safety boots
- Face masks or respirators

4. Emergency Procedures

- In case of fire, all employees must evacuate immediately and report to the assembly point.
- First aid kits are available at all project locations and should be used by trained personnel.
- Emergency contact numbers should be displayed at the worksite.

5. Worksite Housekeeping

- Keep all tools and equipment in designated areas when not in use.
- Dispose of waste materials responsibly in provided bins.
- Avoid blocking emergency exits, pathways, or access areas.

6. Safe Use of Tools & Equipment

- Only trained personnel are allowed to operate power tools or lifting equipment.
- All tools must be inspected before use and any defects reported.

7. Declaration

I hereby acknowledge that I have read and understood the safety policies outlined in this manual. I agree to follow the safety rules and cooperate in maintaining a safe work environment.
